

Frequently Asked Questions & Answers

Why Finance?

Financing allows business owners to control costs, become more competitive, and use reliable, updated equipment every day.

Conserving cash is critical today. By financing, you preserve cash and your lines of credit – enabling you to continue working with your bank or lending institution.

What kind of equipment can I finance?

Just about any kind of business-related equipment can be leased – from office equipment and systems, computers and software, commercial vehicles, telecommunications equipment, and industrial machinery. Approximately \$250MM of business equipment is financed every year.

Do you finance software?

Yes, including installation, training, accessories, shipping, etc.

What is the minimum amount for financing?

Equipment (or software) costs must total at least \$5,000.

Do you offer seasonal payment plans?

Yes, we can create a flexible equipment leasing plan based on your company's seasonal cash flow requirements.

Can I finance used equipment?

Yes, in most cases. Please speak with one of our leasing consultants to discuss your specific request.

Can I lease equipment from multiple suppliers?

Yes, you can finance equipment from multiple vendors – often in one transaction with one monthly payment.

What are the end-of-lease term options?

\$1 Buyout: For owners who believe the equipment will retain its value and plan on purchasing the equipment at the end of the lease for \$1.

10% Purchase Option: For those who prefer the flexibility of returning the equipment at the end of the lease, but want to cap their equipment buyout at 10% of the equipment cost.

How do I get started?

It's simple to begin. Just complete the online application available at www.brandywinecap.com or contact your Brandywine Capital Associates Representative at 888-344-2920 x26. The entire process can take as little as 24 hours.
